

Procedure of establishing a Limited company

- 1** Placing an order: This can be done in writing by post, fax or Email. Just fill out the order form, which can be downloaded from our website and send it to us, alternatively, you can also place the order online and get the appropriate forms sent to you by post.
- 2** After having received your documents, we will send you a written confirmation and provide you with our bank details for payments, which we prefer as pre-payments or payments made in advance.
- 3** Formation of your company through E-Filing by an authorized person.
- 4** Legalization of all company documents by a solicitor in the UK.
- 5** Express-Apostille of the ministry for foreign affairs (Foreign & Commonwealth Office)
- 6** certified translation of all company documents into German by an authorized, verified person
- 7** optional - assistance with the enrolment into the commercial register through our solicitor
